The following process was applied with respect to the Institution's application:

- The application was screened for completeness

- The application was peer reviewed and evaluated

The Institution's on-line application and the findings of the peer evaluation were considered by the Accreditation Committee of the HEQC at a meeting held on **7th - 8th October 2020**. This Committee consists of senior academics from both public and private higher education institutions, HEQC members and representatives of the Department of Higher Education and Training.

In terms of the HEQC procedure, the recommendation of the Accreditation Committee was noted by the HEQC at its meeting of **05 November 2020**

The Institution is requested to take note of any **provisos** and **due dates** included in the reports. Should you have any enquires with regards to the attached report, you are welcome to submit them in writing, for the attention of the Acting Director: Programme Accreditation at accreditation@che.ac.za .

The Institution is reminded that, in order for it to enrol students as a public provider of higher education, the following three conditions must at all times be fulfilled:

- Registration of all qualifications with the South African Qualification Authority (SAQA) on the NQF;
- Accreditation of all higher education learning programmes by the HEQC;
- Approval of the programme by the Department of Higher Education and Training to form part of the Institution's PQM.

Sincerely

Dr Louie Swanepoel

Senior Manager: Accreditation

HIGHER EDUCATION QUALITY COMMITTEE

MEETING TO BE HELD 5 NOVEMBER 2020
ACCREDITATION COMMITTEE
MEETING HELD ON 7th - 8th October 2020

Record of proceedings relating to:

Application for programme accreditation	
CHE Reference number	H/H01/E132CAN
Public or private institution	Public
Institution name	Cape Peninsula University of Technology
Title of programme	Bachelor of Health Science in Dental Technology
NQF level	Level 8
Minimum number of credits	480
Number of credits for this programme	480
Tuition mode	Contact
Minimum duration of study *(full-time / part-time)*	Full-time: 4 / Part-time: 6
Site(s) of delivery	Tygerberg Hospital Tygerberg Campus Tygerberg Hospital Francie van Zijl Drive Parow

	7500

The HEQC confirmed the recommendation of the Accreditation Committee that the *Bachelor of Health Science in Dental Technology (480 credits, Contact mode)* be

Accredited (with conditions)

Condition(s)	**Criterion**
Prior to commencement 1. The Institution should provide evidence that this programme was approved by the South African Dental Technicians Council. The letter attached indicates that the SADTC approved the recurriculation and a new qualification structure for the introduction of the Bachelor of Health Sciences in Dental Technology at NQF level 8 as the qualification required to register as a Dental Technologist. This statement speaks to the qualification structure vs approval of the specific programme.	1
NOTE TO THE INSTITUTION: The Teaching and Learning policies are dated and newer versions should be submitted.

time)	
Site(s) of delivery	Bellville campus Symphony Road (off Robert Sobukwe Road) Bellville 7530

The HEQC confirmed the recommendation of the Accreditation Committee that the *Master of Engineering in Engineering Management (180 credits, Contact mode)* be

Accredited (with conditions)

Condition(s)	**Criterion**
Prior to commencement 1. A concern is that a staff member with a Master's qualification will supervise research. Generally, staff members should have a qualification one level higher than the level they are assessing. This must be clarified.	3,4, and 9
Prior to commencement 2. No expenditure and research output for the previous three years is provided, thus making it difficult to assess whether staff members are competent to supervise research. This information must be provided.	9
Short-term 3. Section 9.10 mentions that a budget is provided in Annexure 6, which cannot be located with the submission. A concern is that it is expected that students' employers would fund the research project or that it be funded by the supervisor. This could prevent the student from not completing the research project if the employer does not fund the research project or if the supervisor does not have research funds available to fund the project. Further information is required from the Institution.	9
NOTE TO THE INSTITUTION:	

The Teaching and Learning policies are dated and newer versions should be submitted.
